SIR,

SUBJECT - *Fixing the pay of Mr P Shankara Royal, B.Sc., Assistant Master, Municipal High School, Anekal at Rs 60/- per mensem in grade R 40-4-60 with effect from 15th January 1945*

I have the honour to state that the Deputy Commissioner and President, Managing Committee of the Municipal High School, Anekal has requested that sanction of Government may be obtained to the proposal of the management of the school to give the maximum of the grade R 40-4-60 to the teacher referred to above with effect from 15th January 1945 The local Municipal Council have agreed to the proposal Copies of resolutions passed by both the bodies on the subject are submitted herewith The teacher in question is stated to have made a representation to give him the maximum of the grade, on the analogy of the maximum pay of Rs.60/- in the same grade given to certain candidates appointed afresh in the Municipal High Schools at Doddaballapur, Thyamagondlu and Nelamangala and the Managing Committee have unanimously resolved that his request may be --- granted on the ground that he is very enthusiastic and that his work is very good The local Municipal Council have also agreed to the proposal. But when a further reference was made by this office calling for information as to the date from which the proposal should take effect and the source from which the extra cost is to be met, copies of further resolutions passed by both the bodies stating that proportionate cost be met by Govern-

P.T.O

Government on that account have been received. It is out of question for the Government to bear the proportionate cost now, as the extra cost involved has to be considered only while fixing the grant admissible to the school at the time of the next triennial revision as per the existing rules.

Shankara Royal, Assistant Master, with effect from 15th January 1945, the extra cost being met entirely, for the present, from the funds of the local Municipality.
